**Dear Theo,**

I am sending this newsletter to a group of 87 individuals, which includes:

- **16 people** who have successfully navigated the rigorous registration process on the Rep My Block website.
- **47 emails** from the initial Draft AOC meeting at the Trump Tower atrium.
- **24 leaders** from the Social Democrats of America (SDA) mailing list.

This *Draft AOC* list encompasses members from various Progressive, Socialist, Green, and Communist organizations. In essence, it serves as what would be called in Europe the "**Popular Front.**"

We must come together to challenge the liberal establishment, as they will undoubtedly make the process as frustrating as possible to discourage participation.

## The Importance of the Rep My Block Process

While the registration process on Rep My Block is complex, it ensures that every member is genuinely committed to the cause. Our efforts aim to position AOC for a decision in 2027-whether she accepts the fruits of our collective labor and runs for president.

If AOC decides not to run, we will organize a *Popular Front* primary to determine which Leftist Progressive should carry our banner.

Across every county, there are gatekeepers preventing our candidates from accessing rooms, gathering necessary data, and navigating unforeseen obstacles. **This is why we need determined leaders at every level.**

## Call to Action

We must recruit advocates in every county who will champion AOC's cause. Please forward this email and encourage others to register at [draftaoc@register.repmyblock.org](mailto:draftaoc@register.repmyblock.org). *(Don't forget to remind them to check their spam folders!)*

Right now, our focus is to assist the California Progressive Delegates Network in identifying Progressive activists willing to run for the California Democratic State Central Committee. Interested individuals should fill out the form here: <http://bit.ly/pdn-interest>.

## Volunteer Opportunities

We urgently need volunteers to:

- Maintain and update the website.
- Create reports like this one.
- Keep Wikipedia pages (<https://wiki.draftaoc.us>) current.
- Manage and organize various Facebook pages and groups.

**I will continue sending out brief weekly updates until someone volunteers to compile them into a comprehensive report each Sunday.**

In solidarity,  
Hasta la victoria, ¡siempre!
